

LYRICS FOR GROUP 2. LOWER VOICES. MEN & LADIES MID/LOW.

These lyrics are for GROUP 2.

(Sing the regular tune)

It's been a hard day's night - and I've been working like a dog,
 It's been a hard day's night - I should be sleeping like a log.
 But when I get home to you, I find the things that you do.
 Will make me feel alright.
 When I'm home - Everything seems to be ri-i-i-ight⁴,
 Shoo-wah shoo-wah, ooh⁴. Ooh², ooh², ooh⁴ (4 - slower...)

(Sing the regular tune) Do I have to keep on talking till I can't go on?

While you see it your way, run the risk of knowing that our love may soon be gone.

(Lower harmony line) We can work it out. We can work it ou-out...

Life is very short, and there's no ti⁴-ime, for fussing and fighting my friend.

(Lower harmony line) I have always thought - that it's a cri⁴-ime

So I will ask you once again - **(STRAIGHT into next song...)**

(Regular tune) Oh yeah I-I-I, tell you somethin' - I think you'll un-der-(low!)stand.
 When I-I-I, say that somethin' - I want to hold your (up 3rd only)hand.

(Reg tune) I want to hold your hand - I want to hold your hand⁴

And when I touch you I feel happy, inside.

It's such a feeling that my love...

I can't hide - I can't hide - I can't hide (hold for 8 beats)...

(lower harmony)

Eight days a week I love you. Eight days a week, is not enough to show I care.

(regular tune) Ooh, I need your love babe, guess you know it's true.

Hope you need my love babe - Just like I need you.

(lower harmony) Hold me, love me...

Hold me, love me. Ain't got nothing but love babe - eight days a week⁴.

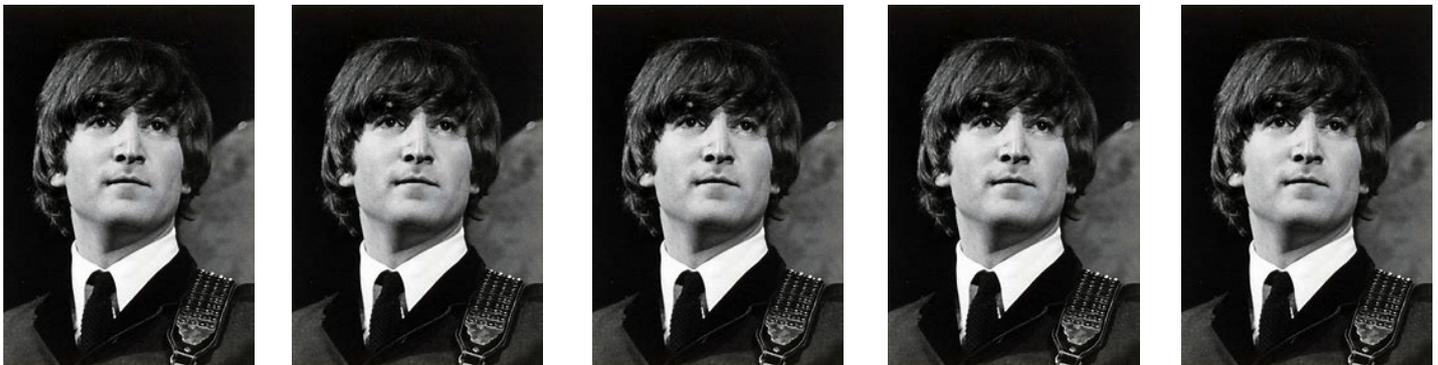

(Reg tune) Here I stand, head in hand - Turn my face to the wall.
If she's gone I can't go on - Feelin' two-foot sma-a-all.

Hey! You've got to hide your love, hide your love away...
Hey! You've got to hide your love, hide your love away...

(Sing regular tune...)

I think I'm gonna be sad - I think it's today, yeah!
The girl that's driving me mad, is going away4
She's got a ticket to ride - She's got a ticket to ride
She's got a ticket to (same)ride - But she don't care!
* I don't know why she's riding so high -
* She ought to think twice - She ought to do right by me!
* Before she gets to saying goodbye...
* She ought to think twice - She ought to do right by me - (down 4)by me4

(Down. Harmony)

Last night I said these words to my girl, "I know you never even try, girl"
(Come on) COME ON, (Come on) come on, (Come on) come on, (Come on) come on,
Please, please me, woah yeah, (scale dwn)like I please you.

(Count slow 4 before starting and sing the regular tune)

Yesterday, all my troubles seemed so far away.

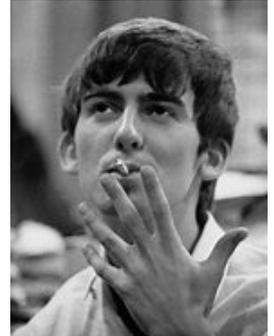

Now it looks as though they're here to stay - oh I believe, in yesterday.

Suddenly, I'm not half the man I used to be.

There's a shadow hanging over me - oh yesterday, came suddenly.

Why she had to go - I don't know, she wouldn't say.

I said something wrong - Now I long for yesterda-a-a-ay, da-a-a-ay.

*(Count 3) Hey Jude, don't make it bad - Take a sad song and make it better.
(low harmony...)*

Remember to let her into your heart, then you can start to make it better

(Reg tune) And anytime you feel the pain, hey Jude refrain,

Don't carry the world upon your shoulders.

(same as previous note) Ah, ah, ah, ah a fool who plays it cool

By making his world a little colder

Ah, ah, ah - ah, ah, ah - Ah!

(The bit we've all been waiting for - swing your pants!!!)

Nah, nah nah, nah nah nah nah, nah nah nah nah, hey Jude

Nah, nah nah, nah nah nah nah, nah nah nah nah, hey Jude

Nah, nah nah, nah nah nah nah, nah nah nah nah, hey Jude

Nah, nah nah, nah nah nah nah, nah nah nah nah, hey Jude
